

NORTH CENTRAL MISSOURI COLLEGE

Previous Measure: Number of credit hours completed per \$100,000 of state appropriations and local tax collections – success is an increase in this ratio

Rationale for Change: The efficiency of North Central Missouri College's efforts to provide affordable education

Proposed Measure Summary: Cost in tuition and fees relative to Missouri's public four-year universities.

Successful Performance: Success on this measure will be defined as *either*:

- Improvement shown through three year rolling average; or
 - Sustained excellence by maintaining a relative cost percentage that is below 60%
